### Member of the Month

Leroy J.

Some of the qualities we think are very deserving towards making Leroy our member of the month are...

Leroy is 1 of a kind

Making sure that things keep clean

He never hesitates to hold the door open for everybody

He likes to help people

Leroy makes sure the van tires are full

And he loves wood working

"He is really easy going and has the energy of a 20 year old!" -Taylor R.

# Eagles on to State

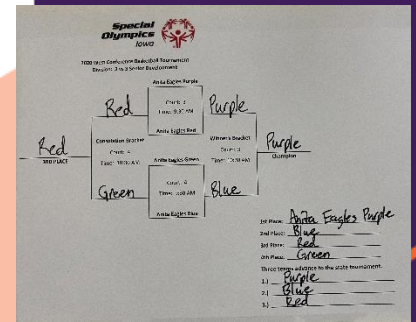

Tyler Trent

The FRC Eagles purple have made the 2020 3V3 tournament. purple won 20-18 first game and the second.

team state for Team in their 20-12 Defense

was a highlight for the games with lockdown D and blocks. With Tyler M's blocks, Tyler T. with shooting and Zach R's steals put the purple on top. Taylor R. playing very good defense and Sarah R. was calling out commands while on the floor and off. March 14<sup>th</sup> will be the state tournament and Eagles purple will be looking for victories.

# Gone But Never Forgotten

Tyler T.

We lost some of our best friends this month. He brought so many smiles to so many people. He loved football, video games, basketball, and going on trips for Day Hab. Most would say his favorite time of the day was lunch. Zach worked at Family Table and loved his job. Some things I remember he did was help me with my concerts, take selfies with me, and sit and joke with me everyday.

## For My Brother Zach

Zach was like a brother to me. He loved to play video games, and loved going fishing. I will remember the good times we spent together. Zach worked at family table. He'll always be with me and always be my brother.
