

Looking For:

INDEPENDENT CONTRACTOR

OUR SERVICES

Supported Community Living (SCL): Helps the consumer through guidance to develop necessary daily living skills in their home and community.

Respite: Provides a respite (temporary relief) for the parent or guardian by caring for the dependent consumer in their home, in their community, and/or in the registered service provider's home.

Consumer Directed Attendant Care (CDAC): Assists the consumer in their home or in their community with tasks the consumer is unable to do for themselves which enhances their ability to live as independently as possible.

Home-Based Habilitation: Assists the consumer in their home or in their community with the acquisition, retention, or improvement in skills related to living independently.

Interim Medical Monitoring and Treatment (IMMT): Provides medical assistance, medical monitoring, and medical intervention as needed on a regular or emergency basis in the consumer's home.

“One person caring about another represents life's greatest value.”

- Jim Rohn
